 When you wish up - on a star
 Makes no dif - f'rence who you are
 When you wish up - on a star your
 dreams come true.

2. Dennis loves to look in the mirror
 He tells me that he is beautiful
 So I look too and what Do I see?
 My eyes are full
 But my face is empty
 He's got a photo
 Of his hero
 He keeps it under his pillow
 But I've got a pin-up from a newspaper
 Of Peter Pan
 I found it in a locket I hide it in my pocket
